

# Father's House

Welcome to  
Father's House

Host Pastors  
John & Michele Park

Dear Beloved,

The year 2012 is here with much excitement and much anticipation. There have been many challenges in 2011, yet there certainly is renewed hope in 2012. In addition, the apostles and prophets are declaring that 2012 is a kairos moment for us to rise and shine, for our light has come and the glory of the LORD rises upon us.

[Isaiah 60:1](#).

God is looking for the worshippers who will make the sacrifice in seeking His face and taking care of His people, because He is calling forth His harvest. As a sign and to ignite His people back to passionate love-hunger for Him, He desires to release His revival fire to many places in the world, especially in the Los Angeles area. The revival will continue so long as the revived church will continue to take care of the poor and needy. As the poor and the needy are cared for, they will be called forth and gathered into the Kingdom. This is a kairos moment and the starting moment for His harvest and revivals.

To mark the divine shift from preparing for a revival to **living a revival**, we have even changed the name of our conference from Launch A Revival to **We Are The Revival**. If you believe that it is no longer time to prepare for a revival, but to **be a revival**, come and join us to be anointed and launched into making a real difference as you will be sent out to make His-story. Let us believe in His Word that when we become a revival, His glory will rise upon us and appear over us. [Isaiah 60:1](#). We are His signet ring, when we rise & shine. [Haggai 2:23](#).

In His Love,  
Pastors John and Michele Park

## CONFERENCE SPEAKERS

Gwen Shaw

Dr. Gwen R. Shaw is president and founder of End-Time Handmaidens, Inc. After graduating from a Canadian Bible School, she answered the call of God to go to China in 1947. With the door closed to China due to communism, Dr. Shaw continued to fulfill her call to the Chinese by ministering in Taiwan and Hong Kong, where she lived until 1970. In 1963 she received a double-portion anointing after a time of fasting and prayer. From that time she served God in about 160 nations of the world, with the fire of the Holy Spirit, signs and wonders following her. In 1970, after a lengthy fast, the Lord burdened her to call out the End-Time Handmaidens to reap the harvest in the nations of the world. It was after this that she founded the organization which is known by that name. She is also author of over 50 books and has composed many songs of worship.

Andre Ashby

Andre Ashby has a deep desire to see the Body of Christ passionately in love with Jesus and moving in the power of Holy Spirit. His heart is to nurture and release the people of God through Holy Spirit led prayer and prophetic songs of the Lord, as well as heart searching seminars and Holy Spirit directed personal ministry to those in attendance. Andre has traveled extensively across the United States and internationally, drawing the body of Christ into complete devotion to Jesus - our Magnificent Obsession.

John Park

John Park and his wife Michele are the senior pastors of Father's House (www.FHM.org), in Chino, California, and they are the founders of Father's House Ministries. Their passion is to usher in a great revival, transform communities, and establish churches and prayer centers throughout the world. They minister in the simplicity of the Gospel, attested by the signs and wonders that follow. They are very proud of their two sons: Johnathan and Michael. They speak and minister internationally.

*(The speakers and schedule are subject to change without notice.)*

## WORSHIP LEADER

Lisa Grans

Lisa Grans was born and raised in Sweden, came to the Lord at an early age of seven and has walked with the Lord all her life. Lisa came to America in 1986 and returned home in 2007. Lisa's ability to flow in the prophetic and her sensitivity to the Holy Spirit availed her frequent opportunities to minister in various churches and special events internationally. She reaches into the depth of the heart of God and draws from the Spirit an anointing that awakens within the heart a call to worship.
